“Today the world is a colourful jungle”

In the world of the wild and curious, nothing is mere coincidence and no detail is too small. This mysterious world is full of prodigies, alpha males and females leading the pack with their disruptive trends and superior styles.

This is an ode to everything they stand for.

“What is too much?
There is no
such thing!”

Just Cavalli

In 2000, Roberto Cavalli created a new line representing free spirits called Just Cavalli. Symbolising strong personalities through the use of modern materials and experimental graphics, the line has stood out as a means to express the style of tomorrow, constantly being reinvented and interpreted in an original way.

“Nature is my
main source of
inspiration”

Just exotic

Only a handful of men could teach the world something about challenging the ordinary. Just Cavalli's experimental nature captured the relentless desire to create some of the world's most exotic and innovative designs.

Daring prêt-à-porter creations, bold printing techniques and the glam and rock attitude paved the way for a brand that's second to none.

“Leopard is an animal design, and my designs come from nature”

Just home

A design pundit is not bound by any medium. Just Cavalli extended his vision beyond patterns, garments and the sensational catwalks to the alluring world of home décor. He wanted to apply his unorthodox style to furniture and home interiors. From wild wallpapers to exquisite coffee tables, the home collection introduced a new era in interior design.

Just for a grand entrance

Begin your journey at an acclaimed master development with a striking, private entranceway specially designed for the stylish homes by Just Cavalli. Pass through the gateway into the exclusive community and be instantly transported into an exotic, colourful world shaped for those who love to defy the ordinary.

Just for you

Introducing luxury villas with interiors by Just Cavalli at DAMAC Hills 2 – a collection of masterpieces set in a community inspired by unique water attractions and world-class leisure.

These fashionable homes represent the brand's daring approach to design, creating unique and iconic spaces for you and your loved ones. The earthy patterns used indoors invite in the lush green outdoors, sending you to the heart of nature in a seamless and effortless manner.

Just for the rooftop garden
